

About Bombora

Bombora is the leading provider of intent data for B2B marketers. Bombora's data aligns marketing and sales teams, enabling them to base their actions on the knowledge of what companies are in market for which products. The source of this data is the first co-operative of premium B2B media companies. Members contribute content consumption and behavioral data about their audiences. In turn, they can better understand their audiences, serve advertisers and monetize their inventory. To sample this data, visit www.bombora.com.
